Tackling Environmental sustainability through Blended Learning opportunities for IVET in the furniture and wood sector (TABLE)

Project number:
2020-1-FR01-KA202-079899

Short Project Presentation

The first meeting of TABLE project partners
On November 2020, the project partners had their first meeting within the project, which was a virtual meeting. At this meeting the partners had he chance to introduce their organizations, to share their experience in their field of expertise as well as to discuss the activities of the project.

The partners, together, form a multi-skilled and a multidisciplinary team that will be essential for the development of the activities of this project. All topics related to management and implementation of the project were discussed and all partners agreed on various further steps that must be taken in near future in order to reach the objectives of the project.

The next meeting between the partners will take place in June 2021, in Yecla (Murcia), Spain.

Implementation duration: 24 months - 01.11.2020 – 31.10.2022

Two intellectual outputs (IO1 and IO2) need to be produced during the project:

IO1 – Educational tips: learning snacks for I-VET teachers in the furniture and wood sector

IO2 – Guidelines for the proper implementation of the Education for Sustainable Development into VET course in the field of furniture and wood

Future activities will be present later.
